Blessings to the Vicars and all the faithful members of the Diocese of UK-Europe and Africa:

Dearly beloved in Lord,

We are pleased and delighted to see that our Diocesan website is attracting more viewers and the purpose of such a platform is meeting its targets by sharing the news and knowledge related to our diocese and our Church in general. We sincerely appreciate the team behind the scenes to make things happen in a professional manner. It is appreciable to understand that the website is being consistently developed by improving its functionalities to provide more benefits for the users.

Now it is decided to launch a Matrimonial section in our website as an additional feature for the benefit of our members. We find that the initiative would be very useful for our eligible youngsters and parents who are seeking to find suitable life partners for themselves or their family members. In a diaspora world especially in a cosmopolitan lifestyle, it is a challenging task to find a life partner from within the same faith and cultural background. We would encourage our members to utilise the newly added facility in our diocesan website. More details on this matter could be availed by visiting our website www.indianorthodoxuk.org

God Bless

Your Spiritual Father and Shepherd

Mathews Mar Thimothios Metropolitan
